

This week's message

Loving Like Jesus 3. Neighbors - Who Do I Love?

Luke 10:25-37

Pastor Stuart
Associate Pastor

Jesus not only tells us who it is that we should love but also shows us what this love looks like when you put what he said into practice. It is one thing to understand an idea but an entirely different thing to put an idea into practice. Our Scripture this week is broke into two sections that do just this.
